

VIK

Very Important Kindergartner

Every child in our class is special and unique! To celebrate that and to help us get to know each other better, our class will be featuring one child each week as a "V.I.K."

Please prepare a poster to hang on our VIK board.

Include your child's name and some "favorites" (food, activity, color, etc.)

Include photographs of family members and pets on the poster.

Your child will be featured for 5 days. He/she will have an opportunity to share the poster on Monday and then something special each remaining day. Your child is welcome to invite a special person, maybe you, to come in and read a favorite story at 10:50 the Monday of that week. You can help present the poster at that time, also. Please let me know if someone would like to come in, but that day or time does not work. We can make other arrangements.

See back of this sheet for your child's VIK week.

Thank you for helping me make your child feel special!
